

## **ATRON is sponsor of the Christmas tram in Zagreb again**

Zagreb, December 2018

To be able to really experience Christmas magic in Zagreb, you should definitely go on a trip with the "Merry Christmas Tram". It drives daily through the streets of Zagreb from Saturday, December 1 to January 6, 2019 and brings joy to locals as well as tourists, especially children.

In a long-standing tradition, the transport company Zagrebački električni tramvaj d.o.o (ZET) organises the trips of the Merry Christmas Tram. The fairytale trip with antique carriages goes right through the centre of Zagreb. Santa Claus and his industrious helpers are always there, too. In order to be able to keep this beautiful tradition going, ATRON electronic GmbH is sponsoring the Christmas event again this year.

The Merry Christmas Tram departs at the stop on the corner of Praška street and Ban Jelačić Square. The tram runs every 30 minutes from 4 pm to 7 pm on weekdays, and from 10 am to 2 pm and 4 pm to 7 pm on the weekends.

The ZET wind orchestra provides more Advent ambiance when it performs on Monday (December 10), Thursday (December 13) and Thursday (December 20) at 7:30 pm in the Merry Christmas Tram.

ATRON electronic GmbH wishes everyone happy holidays and a wonderful advent experience in the Croatian capital.

### **ATRON electronic GmbH**

Since its foundation in 1980, ATRON has become one of the leading providers of system solutions for public transport. The portfolio includes four main areas of business: fare management, eTicketing, operations control and passenger information. Over the course of years, ATRON electronic GmbH has become a group which operates Europe-wide - the ATRON Group. There are locations in Dortmund and Leipzig, as well as in Bronschhofen (Switzerland), Linköping (Sweden) and Zagreb (Croatia).
